Read-A-Thon

Class Challenge:

Choose an interesting place at school to read together. It could be outside, in the library, under desks, on cushions or with a buddy class.

Family Challenge:

Read somewhere interesting at home or out and about. Try reading in a blanket fort, in the backyard, at the park, in the car, or in your comfiest chair.

WEEK 1

WCCS Read-a-thon

Why are we reading?

This Read-a-thon is helping children in rural Ethiopia get a strong start at school. Some children do not have easy access to preschool. The money we raise supports safe places to learn letters, numbers and counting.

Think: Why is learning to read such a powerful gift?

Every page we read can help children learn too.
